**Math:** Because of the nature of Math and the quality of home instruction math programs now available, math instruction is not included in our program. However, math tutoring is available on an individual basis if need.

\* The Humanities Block is 3 hours that covers history, literature, writing and grammar. Each semester is built around three 5 week units following this pattern below. Each grade level uses grade appropriate literature, grammar and writing skills. The history topics follow a 3 year cycle based on the *Mystery of History* Volumes 1, 2, and 3. All grade levels will be studying same history topics at the same time.
